Fold Flat Showcase Instruction Sheet...

1. Begin by placing the middle shelf and base to the panles as shown.

2. Fold the panels round fastening the velcro edges.

3. Apply the perspex panels to the middle shelf and repeat the same steps to add the top.

4. Screw in the aluminium tie bar into the centre front hole of the unit as shown.

5. Plug-in the shelf supports to the remaining holes in the perspex panels, then place the shelf's within the unit.
